

The On Day Service

The On Day Service is running in the areas of Ilkeston and Long Eaton to improve access to primary care.

Patients who call their GP for an appointment may be directed on that same day to the On Day Service where they will be seen by a GP or advanced nurse practitioner as appropriate.

The On Day Service is available from 8am to 6.30pm on weekdays, excluding bank holidays. To use it, patients just call their normal GP number.

Wellbeing Erewash
Your Life Your Way

Making it easier to receive the care you need on the same day.

The On Day Service is:

Making it easier for patients with an urgent need to receive a same day appointment with either an advanced nurse practitioner or a GP

Reducing appointment waiting times for patients with an urgent need

Seeing Practices work together to offer faster, more responsive access

Giving patients improved, quicker access to the healthcare they need

Reducing A&E attendances
