

Dementia Action Week 2018

As part of Dementia Action Week, the partners in Erewash Dementia Action Alliance are holding an information event for those working with individuals with Dementia and their Carers:

On: Friday 25 May 2018

At: Charnos Hall, Ilkeston Community Hospital, Heanor Road, Ilkeston, Derbyshire, DE7 8LN

Between: 10.00 – 14.00

We are inviting professionals who support people with dementia and their carers from the statutory and voluntary sector services in Erewash to come along to the 'drop in' event.

There will be a range of information from relevant providers at the event, providing a great opportunity to ensure the services which support people with dementia are well publicised in order to enhance pathways into the relevant services in Erewash.

Tea and coffee will be provided

Making Space will also be providing an opportunity to join a dementia friend's session from: 14.30 – 15.30.

Booking is essential – Please contact:
marie.crowley@makingspace.co.uk to book a place
